

KPCA Launches Its New Membership Drive

In January, the Kings Park Civic Association launched its new membership drive. The KPCA is looking for residents who would like to be active in the community. The KPCA continues to be the only civic group representing the entire Kings Park hamlet, that holds monthly meetings, polls the community and has the membership vote on the issues at hand. We believe that a civic group cannot advocate for the residents of Kings Park unless those residents have a voice in what we advocate for.

If you would like to be involved in an organization that believes in the motto: “Community First”, we urge you to join us. Together we can keep Kings Park the best place to live and raise a family.
