Together, we reaffirmed our goals and our commitment to help make Kings Park the very best it can be. This is reflected in our new mission statement which reads as follows:

To work closely and diligently with our residents, community leaders, and elected representatives to make Kings Park the very best place to live and raise a family on Long Island.

So...come join our team today by filling out the enclosed membership application. Together, we can protect our beautiful landscapes, reduce our tax burden and enhance the quality of life for all of our residents for generations to come.
